DISPOSITION PARCEL NO. C-2-39, 40, 41

ADDRESS 81-101 Fulton St. - 114-120 Commercial St.

	<u>Appraiser</u>	
First Appraisal	Dennis	\$60,000
Second Appraisal	Cullen	\$60,000
Rec. Min. Disp. Price		\$60,000

These parcels consist of three six-story brick buildings -- two contiguous buildings at 81-101 Fulton Street and an adjacent building at 114-120 Commercial Street. These buildings are to be rehabilitated into sixty (60) dwelling units containing one, two and three bedrooms. The units are to be sold as condominiums.

In arriving at their opinion of value, the appraisers have considered the recent sales of condominiums in the area, adjusting for location, type and sizes of units.

In addition, they have studied the demand for condominiums, the cost of marketing the units and the rate of absorption for the total sellout of the sixty units.

After considering all the factors, each appraiser determines that the units have a total value of sixty thousand (\$60,000) dollars.
